Profile

I graduated in Medicine and Surgery at UCSC in Rome on 5th March 2019.

I lived in "Lamaro-Pozzani" University College on a fully funded scholarship. I was awarded the prestigious "Alfiere del Lavoro" prize, which is annually awarded to the top 25 students from all over the country.

My interests in the field of Medicine and Surgery are primarily related to Endocrinology, Internal Medicine, Pediatrics, Oncology and Gastroenterology.
