

Curriculum Vitae

VITO MARIA DANIELE CORMACI

Medical doctor

PERSONAL PROFILE

I graduated in Medicine and Surgery at UCSC in Rome on 17th October 2019. I lived in "Lamaro-Pozzani" University College on a fully funded scholarship.

My interests in the field of Medicine and Surgery are primarily related to Internal Medicine, which deals with the management of complex patients suffering from several diseases.

My thesis work is about the role of capsule endoscopy in the diagnostic approach of GI bleeding in patients under antithrombotic therapy.
